

David took some time out from his very busy schedule in preparing his band for this year's Royal Edinburgh Military Tattoo to compete in the BAG (Bagpipe Association Germany) senior solos.

It was a very cold and wet day and David reported that his Wallace Classic 4 Engraved pipes perform marvellously and helped him achieve a perfect performance in the following areas:

1st Senior MSR
1st Senior Piobaireachd

Congratulations to David for this excellent achievement during a very busy period for the Piperscorner Shop and The Crossed Swords Pipe Band.
